KIDS XMAS PARTY MONDAY

Grand Holiday Concert On Sunday

Daly City Band And OLPH Choir Present Christmas Favorites

Christmas music to herald in the holiday season will be heard this Sunday when the Daly City Band presents its annual concert.

The performance will begin at 2 p.m. at Our Lady of Perpetual Help auditorium. Sponsored by the Daly City recreation department and the municipality, the concert is free to the public.

As a special feature of this year's program, the girls choir from the high school of OLPH will sing several Christmas favorites. The choir will be under the direction of Sister Superior Clarice.

As usual, the band will be led by George E. Brenner, assisted by Henry Niebolt.

Opening with the National Anthem, the players will then swing into a lively march written by Brenner. This is Daly City's official march tune, and is entitled, "Gateway to the Peninsula."

Following is the complete program:

Selections from "Babes in Toyland," trumpet solo by Bobby Paredi; "The Teddy Bears Picnic" and "Knightsbridge March"; the choir in "White Christmas" and "Adeste Fidelis"; selections from "The Student Prince"; "Ghost Dance" and "A Nightin June"; selections from "Show Boat"; a march, "Liberty Bell," and ending with "God Bless America."

Remember the date, this Sunday, December 18, at 2 p.m. at OLPH auditorium.

Hose Hoisters Decorate "Homes" In Xmas Colors

Firemen in Daly City rolled out the welcome mat for Santa Claus this week by decorating their four firehouses in styles and colors particularly pleasing to St. Nick.

But the decorations should please the residents of this community also. They can be seen in all their splendor during the evening hours when green, red, and blue lights outline the firehouses.

Sometime next week a panel of impartial judges will look over the collective work of the hose hoisters and award a $25 and $15 prize respectively to the two best jobs.

All of the decorations were planned and put up by local fire laddies. Most of them tended to put the fireplace in first spot as a decoration, although others also gave the Christmas trees a bit of attention.

The houses may be seen at:

Peoria and Roosevelt, Company 4; Werner between Market and Vale, Company No. 6; Santa Barbara and Parkview, Company No. 2, and Hillcrest drive below Santa Barbara, Company No. 1.

HOPE THAT SUSTAINS THE WORLD . . . "If there is anything more touching and inspiring than the sight of a little boy or girl waiting patiently for the arrival of his beloved Santa Claus, the world has yet to produce it. With boundless hope, after hanging up his stocking, he finally goes to bed, knowing as surely as he knows his own mother and father, that the Giftbringer will have been there when he awakens.

"Sox" Burglar Strikes Again In Daly City

Striking in Daly City for the third time in six days, the notorious "sox burglar" looted a local home of jewelry and $11 in cash last Thursday.

Victim of the burglar's latest job was Mrs. Ida Forest, 599 Niantic avenue.

Police believe it is this same daylight thief who has been robbing homes in South San Francisco, Millbrae, Hillsborough, Burlingame and San Mateo.

Almost always he gains entrance by breaking the glass in a porch window or door and reaching through and opening the lock. He broke the glass in the front door of the Forest home.

Once in the house, he uses a pair of socks to cover his hands so as to avoid leaving fingerprints. True to form, he did this in the Forest home.

Heading for the bedroom, the untidy thief dumps out the bureau drawers on the floor and takes anything of value.

Items stolen from the Forest home included a woman's wrist watch, $3 in a dime bank, $8 in currency, a new purse, and a pen and pencil set.

"It wasn't that he took anything of real value," Mrs. Forest commented, "but I could shoot him for the mess he left. He dumped everything on the floor."

Operating in the morning or afternoons, the thug this time burglarized the Forest home between 10 a.m. and 2:30 p.m., police said.

Free Movies, Entertainment At Daly City Theaters For All Boys And Girls

Outside of Christmas day, the biggest event in many young lives will be this Monday, December 19, when Daly City throws its annual Christmas party.

Center of the entertainment will be at the two local theaters, the Crest Theatre and the Daly City Theatre.

During almost three hours of entertainment, the boys and girls will have an opportunity to meet Santa Claus, will see several movies, and receive gifts of candy from St. Nick.

Sponsored by the Daly City Recreation Department, the whole show is free to all children in this community.

Through the schools, every child has been given a ticket to the event. Pre-school children, without tickets, may attend the show if they bring a long a big brother or sister.

Santa Claus will pull into the community for the event at 12:30 a.m. when the shows begin.

The old gentleman, always versatile, will be both at the Crest Theatre and the Daly City Theatre. Boys and girls attending Thornton and Jefferson elementary are asked to go to the Crest.

Four Indicted In Breslauer Murder; One Man Acquitted

Facing possible death in the electric chair today for the alleged murder of bookie Marty Breslauer are Roy Teller, 26, John "Midge" Ruano, 34, Cecil D. Alves, 37, and Glenn McMains, 33.

The four men were indicted by the San Mateo Grand Jury at 10 o'clock this morning, following a procession of nine witnesses brought before the jury late last night.

Joe Teller, 32, alleged strongman of the gang, was not indicted by the jury. No reason was given for this action.

District Attorney Louis DeMatteis told the "Record" today that he would seek to hold Joe for several alleged burglaries he, and his gang assertedly committed in San Mateo county over the past six months.

"We're working on the possibility that Joe was involved in these burglaries," Dematteis said. "If we don't have enough to hold him, he will be turned over to San Francisco police for questioning on burglaries in that city."

The four men indicted for the murder of Breslauer on the streets of Daly City September 29 will now stand trial before a jury. Dematteis did not indicate when the jury trial would be held.

One of the four men, however, is still being sought by the police. He is Cecil Alves, San Francisco gambler, ex-convict and associate of Breslauer, who is supposed to have tipped off the gang that the Daly City bookie was carrying large sums of money, and ripe for robbery.

Although questioned twice by San Francisco police before the gang was arrested, Alves was released each time. Then, when McMains named him as the "fingerman," Alves beat a hasty retreat to the Mexican border. At the present time officers are searching for him, and a red-headed girl friend, near the border and in Los Angeles.

Meanwhile, Chief W. W. Sunderland indicated today that the "gang" may have been the thieves who burglarized King's Market of

S. F. Man To Stand Jury Trial Here January 10

One of the few jury trials in Daly City will be held January 10, beginning at 10 a.m.

On trial will be Wayne Wallace Downes, 345 Colon avenue, San Francisco. He is charged with both drunk driving and being drunk in and around an automobile.

Downes pleaded innocent to the charge when he was arraigned October 21. He will be represented by his San Francisco attorney, Edward T. Mancuso.

Judge W. J. Sweeney will be on the bench, and 12 citizens of Daly City in the jury box.

Downes was involved in an automobile accident October 16 at the intersection of Junipero Serra boulevard and Highway No. 1. His car and a car driven by George Davis, 46, 2817 San Jose avenue, collided at the intersection, police said.

A passenger in Davis' car, Miss Hanna Gaffney, 619 Pennsylvania avenue, San Francisco, suffered minor cuts and bruises in the accident.

Following the wreck, Officer Ed Heims cited Downes for being drunk in and around his automobile.

The last jury trial here was held in May of this year.

SO WHAT

By Gil Wales

What a sigh of relief arose after Glenn McMains, known as "Clem" in the homicide set, did an obligato, as the public enemies say in referring to one who peaches on his pals. For the "singing" meant that the very tough Breslauer murder case had eased to a considerable extent.

Prior to the return here from Texas of McMains, where he had gone to seek shelter after the cold-blooded shooting of the bookmaker, the men under arrest, the two Teller brothers and Ruano, had managed to "clam up" or divulge very little in the way of making any really damaging admitances.

In fact, they proved to be quite adept at the art of word fencing. Oh yes, they blurted out many a statement but when the words were sifted for cold facts, there wasn't much that the police could get their teeth into, as evidence that would result in convictions. You know that is one of the most difficult phases of such crimes.

Nevertheless, the authorities were sure they were on the right track, according to Chief of Police Sunderland. Therefore, they hammered away night and day to obtain something that a case could be built upon.

Asked for an example of what he referred to, the chief asserted that he worked for a long spell on Teller only to have the accused declare in the end that it wouldn't do any good to talk because he was in for a long prison spell anyway.

Well now, with that kind of a man to deal with, you may readily understand why there was plenty of easement following the lengthy "song" of McMains. Also, keep in mind that he revealed not only all the gruesome details concerning the cowardly slaying of Breslauer but went on an on into numerous robberies committed over a long spell.

With that we asked the chief about the further steps to be taken and he said that of course, consideration must be given to the possibility that McMains might want to recant his confession. We interjected with, "even though the Texan had turned state's evidence," and Bill responded in the affirmative.

Now you may see what a headache the law has to suffer. Just figure the million and one ramifications that could develop if Mc-

72-Year-Old S.F. Man Arrested, Despite Beautiful Excuse

Daly City officers heard a new excuse from an alleged lawbreaker last night.

Being held on charges of vagrancy and tampering with cars is Joe Farrari, 72, 905 Judah street, San Francisco. He was picked up by police as he sat in the front seat of a car belonging to M. M. Norton, 108 Irvington street.

Although officers asserted Farrari was attempting to take something of value from Norton's machine the San Francisco oldster shook his head in the negative.

"Nope, I wasn't trying to take anything," he allegedly told police, "I have these back pains, and one just hit me, so I had to sit down somewhere. This car was the nearest place to rest."

Incredulous police shrugged their shoulders, and hauled Farrari to the local lock-up.

English Lessons For Foreign Born Jan. 5 At Jeff

"English for Foreign Born" will be the title of a class to start in the night school of the Jefferson Union High School.

January 5 is the opening date of the new class, which will meet each Tuesday and Thursday evening from seven until nine o'clock.

Paul McDonald, of the local elementary school faculty, will be the instructor.

A number of residents have requested this class and others, no doubt, will enroll when they know of the opportunity. Citizens of the community are asked to inform their foreign-born friends of this chance to learn to read and write the English language.

One Case Of "Lumber Labor Lost"; Or Why Take Out The Nails?

Paraphrasing Shakespeare, Sam Valento, 327 Westlake avenue, has trouble with "lumber labor lost."

Valento reported to police that he's now busy tearing down a home at 433 Westlake. Up until a few days ago, things were going alright. Then thieves stepped in.

"They're stealing the lumber from the old house as fast as I can get the nails out of the boards," Valento told officers.

Police are now keeping an eye on Valento's "labors" during the evening hours.

Don't Let Death Take YOUR Holiday!

CITY MANAGER OUT, ADMINISTRATIVE OFFICER IN

Mayor Paul Green today proposed that the city appoint an administrative officer instead of a city manager.

This action followed recent talks with city officials in communities throughout San Mateo county and the Bay area. Mayor Green said that in the majority of cities where a city manager had been hired, he had proven "unsatisfactory."

"Somehow, the city manager just doesn't get along with the council and other governing bodies," Mayor Green said. "Therefore, I believe we should have an administration officer."

This type of official would have only such power as delegated him by the council, Mayor Green asserted. Unlike the city manager, he would be under closer supervision by the council.

Another reason for taking this action is that in California there is a serious doubt whether or not the city managerial form of government is constitutional. This involves technicalities which might find the city hiring a man without any legal right to do so, Mayor Green said.

"There is actually little difference between the two posts," Mayor Green noted. "Only by appointing an administration officer we can get around any future difficulties."

Men who applied for the city manager's position will be considered for the new post, Mayor Green said. At the present time the council is down to about six applications, and an appointment is expected within the near future.

When, and if, this new official is appointed, he will act as a coordinator and advisor to the city council. It is expected he will receive a salary of close to $6,000 a year for his work.

The present form of city government will not change, however, and the mayor and council will function as in the past.

Mayor Green said he would introduce an ordinance soon to give the city power to appoint the administrative official.

"TOP HONORS IN FARCICALITY," SAYS SMITH TO CITY STREET PLAN

Continuing his plea for a new Daly City bus terminal, H. H Smith, 187 Irvington street, this week replies to Mayor Paul Green

Readers will recall that last week Mayor Green said Smith's proposal for the terminal at Los Olivos avenue near Santa Barbara was not feasible.

Following is Smith's letter:

This is in answer to the mayor's letter which appeared in your issue of December 8 with his comments and objections to my suggestion that Daly City provide a centralized parking area and a bus terminal, and bring about a more satisfactory plan of operation of the Municipal buses for the convenience of local patrons.

His argument that it would cost too much, I will answer with the claim that to purchase enough property to cut a street through from Los Banos avenue to Hillcrest street for a bus terminal and bus route would not cost one-half what it would cost to run that street through the quarry.

(ED NOTE: The "quarry" Smith speaks of is land belonging to him running from Brunswick to Hillside boulevard. The city has started condemnation proceedings against this three-quarters of an acre in order to run a road through to connect the two streets.)

In his criticism of the property to be purcased as not being enough, he has in effect recognized and admitted the need for the plan suggested, and is also in accord with the thought expressed when the plan was proposed: That the size of the property to be acquired—00x200 — was the very minimum hat it should be, as it would be ood business to also provide parking area.

As to my reference to the plan of running the buses through the uarry of which the mayor says "a alse presumption has been made," hat statement was based on Resolution No. 1070 passed by the city ouncil on January 70, 1949, reading in part as follows:

"Whereas the city council is of he opinion that a more satisfactory route than now available for said buses would require the acquisition of a right of way for opening Brunswick street from Wellington avenue to Hillside boulevard and in providing same as a major city street."

Such a plan would mean having the buses turn left across Mission at Crocker, go up Crocker two blocks, then up Brunswick past the Catholic school, through the quarry to Hillside boulevard and then back on Hillside to Mission. Why not take the money that this ridiculous, useless and even detrimental project would cost and carry out the new suggested bus operation plan and provide badly-needed parking area?

I believe that the plan of running the buses through the quarry some 100 miles extra per day and at the same time "providing more inconvenience" for bus patrons should be awarded "top honors in farcicality" in ctiy business.

Very truly yours,

H. H. SMITH

Callan To Build New Aaprtments On School Street

There will be 12 families in Daly City who will find a new home soon, when Thomas Callan Jr. completes a $48,630 apartment house unit.

Callan was issued a building permit by the city last week for three apartment houses at 162, 158 and 156 School street, respectively. The apartment buildings will each contain four three-room units.

Other building permits issued last week went to: Peter Hendrickson, 93 Vendome avenue, new 37,600 home.

Frank Gigli, 6844 Mission, for a 33,500 storage warehouse.

Hillside Manor Co., for a $7,000 home at 299 Wyandotte.

Emma Haskins, to do $5,500 worth of alterations on a home at 6951 Mission.

Italo Rinaldi for a new $11,500 house at 89th avenue.

Clifford S. Pettigrew, 47 Hillcrest drive, for a $200 garage door.

Mail That Xmas Package Today

Still wrapping Christmas gift packages? Better mail them quick, or you'll be a belated Santa.

Postmaster John F. Fixa announced today that Christmas parcel post should all be in the mail now to assure delivery before Christmas. "If packages aren't ready until later, use the new Air Parcel Post service," he warned.

Christmas packages have been flooding into the post office for the

Response To Lions Club Drive For Toys Nill; Open Up D. C. And Bring Xmas Joy

What's wrong with the people in Daly City? Haven't they got a heart?

That's what hundreds of needy children were asking today, after the "fine" response of citizens to the Lions toy drive.

Remember, the Lions Club in Daly City is trying to collect a few used toys to pass out for Santa Claus this Christmas.

Well, so far they have received the grand, heart warming total of 0 toys. Not one, not even the shade of a beaten-up doll, has been offered the Lions for the less fortunate children.

But perhaps the Lions are asking too much. Granted, it does take a lot of trouble and time to dig down in an old trunk or rummage through a closet for some discarded toys. Granted, it takes more time to bring the toys to either the Daly City Theatre or Lions Club. Granted, few people want to bother with giving anything to anyone.

However, perhaps there are some to whom this doesn't apply.

The Lions sincerely hope that somewhere in this fair community there is a family that is willing to share last year's joy with the less fortunate.

They don't want new toys. They don't even want money. They merely ask you to find some old, discarded, but usable gift that you gave one of your own children last Christmas. You don't have to fix it up. Just bring it to one of two places:

Daly City Theatre
Jefferson High school

And to make it even easier to remember, the Lions are asking

69-Year-Old Daly City Man Writes Hit Tune

Skyrocketing into what very well may be the hit tune of 1949 is "Bright Eyes," a song written by 69-year-old Walter Harris, 268 Los Olivos.

The retired pottery designer reports this week that his melody has now been recorded not only by Columbia records, but also by Mercury and the much heralded London Recording.

Publishers of Harris' music in New York told him this week that he had one "of the best hits in many years."

Harris, a native of England, has lived in this country for the past 42 years. He attempted several song writing "splurges" several years ago, but these failed, principally because he had to devote his time to raising a family.

Now, however, he has time to work at full steam on writing music.

"This is probably one of the only cases on record where an unknown song writer, of 69 years old, mind you, hit the top with a piece," Harris explained.

For those interested in hearing the Daly City man's song hit, it is now available at deLeon's Music store, 6129 Mission street.

Young D.C. Ladies Enjoy Play-Day At Marchbanks

During the lull between seasonal sports, Daly City girls received special attention from the recreation department.

Saturday morning, December 10, Marchbanks park was the place selected to hold the first of a series of play-days. These play-days are held to give the local girls an opportunity to meet new friends and engage in new games and relays. It is hoped that we in the recreation department can teach the girls how to play together so that in the future we may have bigger and better play-days.

The following girls braved the cold wind to help initiate the series of play-days: Joan Skoverski, Aline De Boton, Carol Glover, Maxine Faulk, Arlene Callan, Ardeene Kellis, Betty Scott, Cherry Castor, Emily Guido, and some others who had to leave early. The girls discovered that it wasn't cold at all after the first few minutes of play.

Erle Johson, supervisor of recreation, introduced the game of hit-pin baseball, which is a combination of bowling, basseball, socker and what have you. The girls enjoyed it very much and it is hoped that it will soon be learned by all of the girls in Daly City.

The remainder of the morning was spent playing volleyball, running relays and finishing with a touch-football game. It was the opinion of Directors Pagani, Fischer and Smith, who, incidently, coach the various grammar school sports, that some of the girls looked like they could give the boys competition for their positions next year.

CONCORDIA ISSUE TO BE HEARD MONDAY; COUNCIL SELL BONDS

Just whose going to pay for what?

That was the question proposed this week by property owners in the Concordia land area. And it almost took the city council by surprise last Monday night.

Readers will remember that two weeks ago a public hearing was held on a proposed assessment district for improvement of streets and sidewalks in the area near Guttenburg, Frankfort, and Mar Vista drive.

At that time the people in the area could find no objections to the district.

However, one disturbing question was brought to the attention of the council.

"We understand an outdoor theater is going up near the proposed district," one resident said. "As they are to use the streets we are going to pay to have paved shouldn't they share the costs?"

Mayor Green said he would look into the question.

Meanwhile, the residents got up a petition demanding that the outdoor theater be made to pay for a portion of the cost of the streets.

Later it was learned that the San Francisco Starlight Theatre chain has started work on the outdoor movie, and will probably have it completed by the spring of 1950. They have made plans to use Frankfort, Lowell and Edgemar as entrance and exit ways to the project.

All three of these streets are in the proposed assessment district.

If the theater were inside the city limits, they, too, would be assessed, Mayor Green said. However, as they are just over the line, technically the city can do nothing.

"Still, I'm sure if the theater people and the residents get together something equitable can be worked out," Mayor Green said.

With this in mind, the mayor has called for a public hearing on the whole question Monday night. He expects officials of the theater to be present, as well as representatives of the Crocker estate that leased the land to Starlight.

All interested parties are asked to be present, Mayor Green said.

Now here's a brief recap of last Monday night's meeting.

Finding a buyer for the city's $396,000 improvement bonds took up most of the city council business last week. Among the five financing companies that bid to purchase the bonds, Blyth & Co. was the successful bidder.

Blyth bid a low interest rate of 2.11 per cent. In a word, this means 2.11 per cent is the amount of interest the city must pay the company for use of the $396,000 over a period of approximately 20 years. The company will be paid various sums on the interest at intervals during those years.

Now that the money has been obtained for the improvements, indications are that work on the $295,000 War Memorial community building will begin sometime next month. Work will also progress on the $101,000 improvement of city parks.

Only other business before the meeting was the permanent appointment of Mrs. Evelyn Cahn to the position of junior clerk. At the present time she is serving as secretary to Mayor Green.

TIP OFF ON '50?

If you're trying to figure out the political trend as it will shape up in 1950 you can draw two possible answers from last week's election. As a Democrat you can look for a sweeping victory for your party. Or, as a Republican you can look for a sweeping victory for your party.

From the Democratic viewpoint everything is lovely because they got most of the political marbles. From the Republican standpoint there were many hopeful developments. One of these was the standout victory of Driscoll in New Jersey which may make the New Jersey governor a strong GOP presidential candidate. Another was the "moral" victory in the New York senatorial race. This latter claim may be open to debate but some Republicans seemed pleased that Dulles, who is anything but an effective campaigner, made as good a showing as he did at the polls against the man who was twice governor of the state.

President Truman seemed to think that the New York vote was an approval of his Fair Deal program. Maybe it was, but the personalities of the candidates influenced the result considerably. The only sure way to figure out the 1950 trend is to wait until November, 1950.

SO WHAT

(Continued from Page 1)

Mains should stand up in court and bleat, "I never said that," when his sworn document was presented.

Next, we asked the chief about Cecil Alves, accused of being the "finger man" in the case. We pointed out that the dispatches said Alves was headed toward the Mexican border, when last heard of, and fight seek refuge down there.

Bill didn't seem to be worried about that. He said that Mexico cooperated in such instances. Furthermore, there was an all-points bulletin sent out on the police teletype, which means that Alves probably will be found ere long.

When all is considered though, it's a wonder that so many smart young fellows will stick their necks in the noose of crime. We refer especially to the action of McMains. You know, in nearly all criminal cases one or more of the men involved tell on the others.

While talking with Chief Sunderland, he happened on to the subject of Christmas. "You know," he said, "there will be a lot of new bicycles, scooters and other contraptions on the street, after December 25th, and I'm worried. I wonder how many of the kids will get hurt as a result of their new toys.

"Remember, they will have two weeks to race around on them, all day and maybe later, because school has closed down for that period. So here is what I would like to emphasize.

"Every parent, giving a bike or scooter, should take their little Johns and Jeans aside, then lay down the law. Make it severe that the offspring must be careful—must not take chances — or they will end up in a hospital, or worse." . . .

During the week, we had an experience that did our heart good. We found a man whose estimation of honesty and integrity was higher than an immediate gain of dollars and cents.

It seems that a mistake was made in an advertisement placed in this newspaper by G. A. Anderson, of the Anderson Refrigeration, 7046 Mission street. The error consisted of a price lower than what he wanted to quote.

Immediately, he phoned our office to explain that there was a principle at stake. He said he always dealt fairly and would rather lose business than get it otherwise. Therefore, would we please rush him a letter citing the correct price.

Of course, we were happy to comply. Meanwhile, we couldn't help but think that others, who were not so scrupulous, might have ignored the matter completely. . .

Speaking of merchants, we happened into the Lucca Market, at 7370 Mission street, yesterday and espied several products from abroad that carried us back to the time when we were a correspondent in Europe. We spent ten years on the other side of the Atlantic, therefore we got to know the habits there, including the practice of liqueurs after dinner.

Tom Lucca has brought in some of them from Italy, which he has had encased in French crockery, designed by him, adding zest and delight as they are poured into shiny goblets.

Also, we found that he has candy brought over from the boot. It seems that each box contains a picture suitable for framing, and will prove a delight to many of the folks who originated in Italy. The name of the manufacturer is Perigina, a widely-known confectioner in Rome and other large cities over there. . .

We are informed that the response to the request of the Lions Club for toys has been absolutely nil up to now. Therefore, if you have any that are usable, please send them to Jefferson High School or the Daly City Theatre. Some little fella will bless you for it. . .

Do you want parking meters installed on the streets? Seems there is a hot controversy over the question. .

Free Movies

(Continued from Page 1)

All others may show up at the Daly City Theatre.

At both movie houses, the kids will greet Santa Claus and will be entertained by westerns, dog pictures, and several cartoons. There will be community singing at the Daly City Theatre.

During the performance, Santa Clause will pass out generous portions of candy to all the children.

While the youngsters do not need to bring any admission, they are asked to bring a toy for the Lions Club toy drive. All of these toys will be given to some needy child. They need not be new, only in usable condition.

In presenting the show, the recreation department will be assisted by Mrs. Bernadette Marchbanks, Our Lady of Perpetual Help Mothers' Club, the PTAs, Daly City Women's Civic Club and the Daly City police and fire departments.

Chairman of the party is Mrs. Ann Eason, assisted by Earle Johnson.

Elman Rose, Daly City Recreation Department head, is in charge of the overall program.

Strong Fined $100 For Drunk Driving

Pleading guilty to being drunk in and around an automobile, August O. Strong, 50 Piedmont street, San Francisco, was fined $100 in police court Friday.

Strong was arrested December 3 when he was dicovered to be driving in an "erratic" manner down Missison street.

Only other casess at police court were on charges of drunkenness. William E. Wells, 715 Hamilton street, was fined $10 on this count.

Two others: Otto Walters, 533 Hazel street, and Wallace A. McDowell, Box 351, Millbrae, forfeited $10 a piece on drunkenness charges.

Breslauer Murder Indictment

(Continued from Page 1)

$750 in merchandise January 19, and Sprouse-Reitz of $115 in cash September 9.

"This is only a strong supposition, based on the testimony of McMains," Chief Sunderland said. "However, I believe that Ruano and the Teller brothers may have taken part in both burglaries."

Chief Sunderland went on to say that before the whole matter is cleared up, the "gang" may very well be held responsible for several other burglaries in this area. He did not elaborate on this statement.

Now, for the benefit of those readers who read only the "Record" here is a brief recap of last week's developmnts in the sensational booky murder:

Saturday, December 10: McMains reportedly opened wide his mouth and "sang" concerning the whole Breslauer murder.

Allegedly the man who rented the murder car, McMains, had first fled to Texas. However, he was apprehended and brought back to San Mateo county where he proceeded to turn state's evidence.

Monday, December 12: McMains named Roy (Fat) Teller as the man who shot Breslauer, and Alves as the man who put the "finger" on Breslauer. He said Ruano drove the car.

The ex-truck driver told authorities that he was the one who had lifted $2,800 from Breslauer's pocket after he fell to the street. He then said that the money was split four ways between the gang.

McMains also admitted that members of the gang had committed from 25 to 30 burglaries in the Bay area.

He also disclosed one bit of alarming information to authorities that said San Mateo county was clean of gambling. He said he has won $4 playing a slot machine at the Silver Saddle, Skyline boulevard resort, and gambled it there into $560 winnings.

Tuesday, December 13: San Francisco and San Mateo authorities began to investigate McMains' testimony that the "gang" had committed burglaries and armed robberies in the Bay area. George Silva, 27, and Joe Hidalgo, 29, both of San Francisco, were arraigned in San Mateo on burglary charges involving $2,000 in clothes taken from a Belmont cleaning firm November 11.

Wednesday, December 14: The "gang" was implicated in the armed robbery of the 598 Silver avenue grocery July 1. McMains told police that in their getaway, their auto was hit by two bullets fired by an off-duty policeman.

The grand jury was called and witnesses were produced in an effort to indict the five suspects.

Mail Now For Xmas

last week. Locally packages normally average 60,000 pieces per day. Now they're up to about 90,000 per day.

The postmaster is having his usual seasonal headaches with fragile gift boxes that fall apart in the mails. "Somebody tied up a bottle of perfume in very thin cardboard this morning," he reports. "It got on the bottom of a pile. Now we have five sacks of fragrantly scented gifts to deliver." All packages should be wrapped in heavy corrugated cardboard, the postmaster says. He suggests repeating the address on a card inside the package, in case the outer wrapping becomes torn.

Property Appraiser Jobs Available

Real property appraisers in considerable number are to be employed by the State in five different job classifications, according to an announcement released today by the recruitment section of the State Personnel Board.

Applications will be accepted at Personnel Board offices through January 5, 1950, for the classifications of Property Inspector and Appraiser; Property Appraiser, Department of Veterans Affairs; Assistant Right of Way Agent; Assistant Real Property Appraiser, and Associate Real Property Appraiser.

Entrance salaries range from $268 to $395 monthly. Technical appraisal experience will be required, according to the announcement which indicated that real estate sales experience would not be qualifying.

L. M. Giannini To Head Drive

Lawrence Mario Giannini, president of the Bank of America, has accepted chairmanship of the 1950 March of Dimes in California, Basil O'Connor, president of the National Foundation for Infantile Paralysis, announced today.

At the same time, Mr. O'Connor also announced that for the fourth consecutive year Governor Earl Warren will serve as honorary state chairman of the annual polio appeal.

The March of Dimes is conducted each January by the National Foundation and its 2,800 county chapters to finance the nationwide fight against infantile paralysis in the fields of patient care, scientific research and professional education. The 1950 campaign will be held January 16-31.

Mr. Giannini, in addition to his position as president, director and chairman of the general executive committee of the board of the Bank of America, is a director of a number of nationally prominent companies and corporations. He is a regent of the University of California and is a member of the San Francisco and the California State Bar Associations. A director of the California State Chamber of Commerce, he is active in many civic and fraternal organizations.

that each of the thousands of children who plan to attend Monday's free Christmas show bring a toy.

When all of these toys have been collected, they will be distributed by the Lions to needy children on, or before Christmas day.

And what about the women's clubs, churches and other civic organizations? Can't any of these groups have their members bring toys for the children?

Come on Daly City. Let's prove to some poor, perhaps already cynical child, that Santa Claus does live outside of high-powered advertisements.

Colma School Children Present Christmas Play

By Mrs. Dale J. Stookey

Children from the Colma schools enacted a Christmas pantomime play on Tuesday evening, December 6, in the Colma Community Center.

The theme, "Christmas Eve," was cleverly portrayed individually and in group form, featuring Santa, Mother Goose and her nursery rhymes. The program, sponsored by the Colma PTA, was authored and directed by Mrs. Eileen Blanco, assisted by Miss Shirley Rasor. The musical background was played by Mrs. Memory Gomez.

Mrs. William Chessman, membership chairman, presented two transcribing-phonographs to Miss Marie Traynor, principal of the Jefferson Elementary school, and Mrs. Hazel Colwell, principal of the R. S. Thornton school. Superintendent of Schools James Snell and Hugh Falconer demonstrated the machines to the audience.

Santa presented each child present with a bag of candy. Children taking part in the program were Gwen Anthony, Eileen DeBarnardi, Linda Caravano, Nancy Park, Dick Stookey, Edward Dennis, Padio Pierce, Bonnie McAvoy, Anthony Stankus, Shirley Rassor, John Dennis, Carla Gomez, Ardis and Dianne Branstetter, Cathy and Cindy Coltrin, Marjorie Duncan, Alberta Stankus, Marilyn Toole, Donna Stookey, Carol Malcom, Wanda Thiessen, Linda Watts, Shirley Smotherman.

Donna Dennis, Mary Park, Janet LePine, Harry Kellaher, Susan Detwieler, Jerry Markel, Robin Temkin, Edith Detwieler, Donnie Scribner, Cathy Drotar, Jackie Kellaher, Jackie Nollie, Bobby Nollie, Gary Houston, Don Branstetter, Dennis Golobic, Jimmy Mayer, Rickie Gomez, Lee Chessman, Leona Blayer, Pollie Danielson, Pamela Vogel, Mary Anne Zanone, Faye Orovito, Noel Hanrahan, Marguerite Eberle, Carolyn Dennis, Bobbie Coltrin, Eloise Zanone, Nancy Golobic, Helen Markel, Jill Dougherty, Shirley Ledrick, Stanley Pierce, Dickie Howel, Joan Mayer, Sharron Bailey, Carol Benadetti, and Rusty Thiessen.

The carolers were the Broadmoor Village Girl Scout Troops 17 and 19, and the Jefferson Elementary School Glee Club.

'Bathroom Window' Burglars Get $40 From Wagner Home

Sneak thieves are about in Broadmoor. The most recent victims are Mr. and Mrs. Richard Wagner, of 1508 Sweetwood drive, whose home was burglarized while they were attending the movies.

Unfortunately, they left the bathroom window open when leaving, thus the crooks entered and pilfered $40 from a bureau drawer. Also, they made off with a wallet containing valuable papers.

Footprints were found showing the course pursued. And from the description given, it would seem to indicate that the thieves were novices, or inexperienced.

Fortunately for the Wagners, the croks failed to ransack their place. It was learned that more money was secluded in the kitchen, but left untouched.

Workers Receive Benefit Payments After January 1

Hospitalization benefits of $8 a day for as many as 12 days in a "benefit year" will be available to San Francisco and other California workers shortly after January 1, it was announced today by J. M. Williams, manager of the San Francisco District Disability Insurance office.

This means that any person eligible to receive the basic disability insurance benefit, which ranges from $10 to $25 a week, will also receive a flat rate of $8 for each day up to 12 days that he spends in a hospital on and after January 1, Williams said. If hospital confinement occurs before January and continues into the new year, the added hospital benefit will be paid starting January 1, he explained.

The seven-day waiting period, which all claimants must serve without compensation under the present program, will not be required of hospitalized persons after January 1, Williams pointed out. For example, if a worker becomes disabled on January 1 and is hospitalized January 4, his waiting period for basic benefits will end on January 3, and he will receive both hospital and basic benefits starting January 4.

It will not be necessary to file an additional form to obtain hospital payments, Williams stated. The claim form now in use will be replaced by a new form on which the beginning and ending dates of hospitalization can be entered by the claimant's doctor.

Among other liberalized features of the disability insurance program, effective January 1, are provisions affecting the waiting-period requirement for basic benefits, out-of-state physicians and conflicts regarding liability between voluntary plan insurance companies and the state.

Stamp Collectors: New Air Mail Routes Coming

Postmaster John F. Fixa today announced that effective on or about December 20, 1949. air mail service will be inaugurated over segment No. 1 of route A.M. 90, between Omaha, Nebraska; Council Bluffs, Iowa; Lincoln, Beatrice, Hastings, Grand Island, Kearney, Lexington, McCook, and North Platte, Nebraska.

Special cachets will be provided for the above offices and at Air Mail Field, Omaha, Nebraska, and the usual treatment of philatelic mail will be authorized.

Effective on or about December 19, 1949, air mail service will be inaugurated over route A.M. 105, between Reno, Carson City - Minden, Hawthorne, and Tonopah, Nevada; Kingman, Prescott, and Phoenix, Arizona.

Special cachets will be provided for the above offices and the usual treatment of philatelic mail will be atuhorized.

First flight air mail covers to receive cachets should be sent to the postmasters at the above-named offices and should be accompanied by a letter authorizing the holding of the covers for the first flight and requesting the application of the cachet.

No provision will be made for point-to-point covers, however, at the request of collectors, covers receiving cachets will be given directional service only to a terminal or junction point designated by the general superintendent, postal transportation service, and served by the first flight in each direction, and will there be backstamped and dispatched onward to destination.

Daly City Dresses For Christmas

History was made this week, when for the first time in her long life, Daly City put on Christmas decorations down Mission street.

With close to $3,000 in lighting supplied by the city, the Christmas decorations extend for two miles along Daly City's main street.

Th merchants also came through, although with not much as early expected, and put up bright green wreaths adjoining the red, blue, and yellow lights.

Mayor Paul Green admits he is a little disappointed with this first attempt, but promises that next year the city will have Christmas decorations second to none.

"We can't do everything at once," Mayor Green said. "But now we have the lights, and in a few more years we'll have enough other equipment to really decorate this community."

Meanwhile, city hall was taking on the Christmas spirit. Strings of lights now outline the front of the somber building and stretch along the trees at her foot. But as lights went up on Mission this year, it was decided not to decorate the two large trees on either side of the hall.

COOKIES CANDIES & CHRISTMAS

LIKE Santa's pack, your stock of holiday goodies should be plentiful and interesting. Since callers will be as much present as holly and gifts during the holidays, do your baking of cakes and cookies, so your cupboard will be ready for any who might drop in.

Home-made delicacies served during Christmas and New Year's are as heart-warming as the sound of the yule log crackling on the hearth. If you have a fruit cake, a variety of cookies and perhaps a few candies, and if you serve these with a festive beverage, you will have gone a long way in spelling holiday cheer to those who come to say "Merry Christmas" at your home.

Here is a simple type fruit cake which does not need the aging that a traditional cake requires. The recipe makes two 9x4x3 inch loaves and is the perfect answer as to what should be served during the holidays:

Raisin Fruit Cake
(Makes 2 loaves)

4 cups seeded raisins
2 tablespoons grated lemon rind
1 tablespoon cinnamon
1 tablespoon allspice
2¼ cups liquid*
2½ cups chopped nutmeats
4 cups sifted cake flour
5 teaspoons double acting baking powder
2 teaspoons salt
1½ cups sugar
½ cup butter or shortening
2 eggs, well beaten
2 teaspoons vanilla

Combine raisins, lemon rind, spices and water in a saucepan. Cover and simmer gently for eight minutes. Drain, pressing out as much liquid as possible. Measure liquid and add water or coffee to make one and one-half cups, and reserve. Grind raisins with nutmeats.

Sift flour once, measure and add baking powder, salt and sugar; sift three times. Cream butter thoroughly, and add flour mixture, eggs, vanilla and reserved liquid. Stir until all flour is dampened. Beat vigorously for two minutes. Add raisin-nut mixture and mix thoroughly. Turn into two 9x4x3 inch loaf pans which have been greased, lined with brown paper and then greased again. Bake in a moderate (350°) oven for one hour and 15 minutes, or until done. Let stand five minutes on cake rack, then remove from pan, leaving paper attached until ready to serve. Cool. Wrap in a clean cloth and store in tin container to keep moist.

*The liquid may be water or left-over coffee.

Kris Kringle cookies are a tasty concoction of dates and nuts. If stored in a tightly covered container, they will keep moist for several days:

Kris Kringle Cookies
(Makes 30 balls)

1 cup butter cookie crumbs
¼ teaspoon salt
½ teaspoon baking powder
⅓ cup sifted all-purpose flour
1 cup finely chopped, pitted dates
1 cup black walnuts, chopped
½ cup sugar
2 eggs, beaten
1 teaspoon vanilla
¼ cup confectioners' sugar

Combine cookie crumbs, salt, baking powder and flour. Add dates and nuts. Add sugar gradually to beaten eggs. Blend in cookie crumb mixture and vanilla. Bake in a greased and floured nine-inch square pan and bake in a slow (325°) oven for 30 minutes. While still warm, cut into 30 squares. Roll each square into a ball, turning the top, crusty portion inwards as you roll. Place confectioners' sugar in a bag. Shake the balls in the sugar to coat evenly.

RAISIN FRUIT CAKE
for a spicy holiday

That all-important letter to Santa; in it we told him the many things we *wanted*. We were children then . . .

Now, as adults, we have discovered a new approach to Santa. Wherever possible, we drop little hints about the things we *need*, in the hope that we'll receive useful gifts.

The first Christmas came while the world was still very young. The people of Bethlehem were looking for the kind of king who would live in a palace. That was the sort of Messiah they *wanted*.

But God gave them a Child in swaddling clothes, lying in a manger . . . a babe destined to become a spiritual King . . . the kind of Messiah the world *needed*.

The mark of spiritual maturity is the realization that sacred needs are more important than secular wants. This is the Christmas season. Come to your Church and receive GOD'S GIFT.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Finns See Evergreen As Mourning Symbol

Evergreens are never used as decorations in the homes and churches of Finland because the Finns regard them as symbols of mourning.

At Christmas most homes where there are children suspend a "heaven" from the living room or dining room ceiling. Such "heavens" consist of a cord framework covered with straw and different colors of paper ribbon, etc., and decorated with paper stars and silhouettes cut in various designs. The effect, when reflecting the firelight and the candles' glow, is mysterious and fascinating.

Candles are used profusely in the churches; the alters are banked and the windows are filled with them, so that in the pre-dawn darkness (Christmas morning services begin at 6 A.M.) the churches beckon approaching worshippers like brilliant lanterns.

After the early church services, the gayly decorated sleds race for home, bright robes flying and sleigh bells a-jingling. Breakfast is festive, and then everyone takes a long nap. Christmas Day is not devoted to play or gift-giving; it is religiously observed, with intervals of carol singing and Bible readings.

The day after Christmas is St. Stephen's day, and from then until New Year's parties and general festivity are in order. Although gift-giving is not an integral part of the observances, in some parts of Finland trinkets and useful gifts of wearing apparel are presented to children by Wainamoinen, the Kalevala hero of Finnish legend.

Legend relates that the crown of thorns which was placed on the head of Jesus was made of holly and that before the crucifixion the berries were white, but turned crimson like drops of blood.

NEWS OF YOUR NEIGHBORS

We want more names for this column. Anything of interest to you, or your friends will be printed. If you have a name, and yours is as good as anyone's, we will be glad to put same under this heading. Merely call the Daly City Record at JUniper 7-4321, or mail it in to the paper at 3317 San Jose avenue.

Miss Beverly Cahn, daughter of Mr. and Mrs. Cahn, 263 Rhine street, did some flying of a different sort this week. Her mother announces that the young Miss flew from Brownie to Girl Scout in one breath-taking operation. This does not mean that pert Miss Cahn sprouted wings, rather she changes uniforms and begins a career with the Scouts. The best of luck to Miss Cahn on her new adventure in living.

Wilbur L. Fellows, son of Mr. and Mrs. Horace Fellows, 176 Los Banos avenue, is one of the 200 students who will be graduated from San Jose State college at the end of this fall quarter. The class is the largest ever to be graduated from the college in December. Fellows wil receive an AB degree in French and Spanish.

Charles Jeffcoat and William Ames are two new students at Jefferson high school, we learn via the school paper, "Totem Pole." We here wish to extend our welcome to both these high school students and to their parents. Charles is now residing on San Dilego avenue, while Bill lives on Gambetta street.

Mrs. Marion McKaskle, 315 Wellington, a well-known name both in this column and at the water department, is a lady with brain power, plus. Last week we had occasion to see a grade sheet the clever Madame received from an eastern university extension course. Up and down the neat page were large, wholesome - looking "A"s, with just a few "B"s scattered here and there. None of the lower letters could we find. Nothing remarkable in this, except for the fact that it came from a re well-known accredited law school. Yep, seems Mrs. McKaskle among other things has completed a law course by extension service. Now all that remains is a bar test, and California will have a new Portia. She does not say when she will step into the flowing robes of the judicial service.

Whist Games Resume At OLPH

Resuming an old tradition, officials of Our Lady of Perpetual Help church announced today that whist will be played at the parish hall this Friday, December 16.

The regular whist parties will be held during 1950 on the third Friday of every month.

This week's game is to begin at 8:30 p.m. in the hall at 80 Wellington avenue.

As usual, refreshments and prizes will be offered those who attend.

The committee in charge includes Mesdames William Adams, H. Barone, J. Balestreri, A. Arata, A. Brush Jr., D. Brunson and W. Brush.

The public is invited to attend these whist parties.

SMJC Students Present Play

"George Washington Slept Here," the term play, is being given today, Friday and Saturday evenings at San Mateo Junior College.

For the past six weeks the college players nave practiced under the direction of Harry Keats of the faculty. Students from the entire county have taken part as cast members, as the construction crew or have served on committees.

Tickets will be sold at the door each night, and the comedy is being given in the college auditorium, starting at 8:15.

Two San Mateo Junior College football players won places on the all-conference eleven: fullback Bill Calhoun and tackle Bill Sproule. Three more gained the second team. They are guard Bill McComb of San Mateo, end Sam Nicolopulos of South San Francisco, and halfback Manny Peradero of San Lorenzo.

The college basketball squad won a thriller of a game from Marin College in overtime play, 83-75, but lost to the University of California Blues the next night 52-41. This Saturday evening the team will play El Camino from southern California in the Matean gym.

Eleven students attended the World Affairs Council at Asilomar over the week end and heard a number of speakers discuss the situation in China. Senator Knowland and Congressman Helen Gahagan were two of the scheduled speakers.

Wedding Bells Follow Shower For Miss Hanley

In the quiet of her home, Miss Peggy Hanley will wed William Lecaro this Saturday, Mr. and Mrs. Elmer Hanley, 43 Woodrow street, announced today.

Only relatives and very close friends will be invited to the wedding, which is to take place at 7:30 p.m.

Following the marriage, the couple will spend their honeymoon in the East. As they are both attending the University of California, they will continue studies after the honeymoon.

Meanwhile, Mrs. Nell Dorrance and Mrs. Catherine Foreman, aunts of the bride-to-be, arranged a surprise bridal shower last Thursday. The shower was held in the home of the bride's mother.

Mrs. Dorrance came from Jackson, California, especially to decorate the home for the big event. In addition to the beautiful decorations, the event was topped off with a large bridal cake.

Needless to say, the bride received many useful gifts to help her keep afloat on the coming sea of matrimony.

Present at the shower were Mesdames Peary Higgins, Lynn Boskey, Marcie Trier, Mae Foreman, Martha Linden, Olga Bordson, Lily Cavagnaro, Martha Wegner, Bertha Lithurn, Ruth Morris, Bernice Hannah, Doris Bock, Mildred McGeen, Mae Numbers, Norma Rigler, Barbara Capps, Bill Donham, Sue Hopman.

Irene Williams, Florence Hopman, Betty Simonsen, Ellen Stone, Maude Hanselman, Lillian Thomey, Vivian Pahlka, Leslie Hansen, Julia Peterson, Hilda Heagney, Muriel Jones and Kathleen Matzek.

Also present were Miss Barbara Bordson, Miss Kathleen Schrieber and Miss Janet Peterson.

Automobile Loses In Collision With S.P. Locomotive

Tangling with a locomotive, a Daly City man and his car came out the worse for damage Saturday.

Harold J. Anderson, 28, 413 Hillside boulevard, a carpet salesman, told police he was crossing the railroad tracks on Westlake, 200 feet east of Junipero Serra boulevard, when he hit the side of a Southern Pacific locomotive.

Although Anderson was not injured, his 1947 coupe was damaged so it is almost a total loss. The engine, with R. L. Stubbles, Rt. 1, Box 225, Mountain View at the controls, sustained a bent step near the cab.

Anderson told officers he did not see or hear the engine, and could not stop in time when it loomed up before him. Stubbles reported that he saw Anderson, but thought he was going to stop.

Only one other accident was reported over the week end. While backing a truck out of 7360 Mission Thomas Stanghellini, 128 Moltke street, collided with a car driven by Fredie Riddell, 15 Buckingham way, San Francisco.

The truck will need some repairs on its back end, while Riddell is going to need repairs for his coupe on its right side.

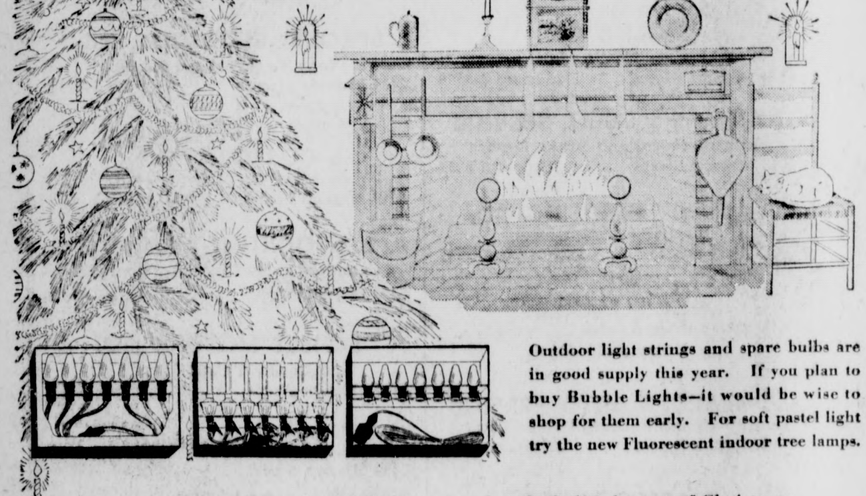
Once upon a time

to keep a tree bright cost a dollar a night



Outdoor light strings and spare bulbs are in good supply this year. If you plan to buy Bubble Lights—it would be wise to shop for them early. For soft pastel light try the new Fluorescent indoor tree lamps.

Not so many years ago, candlelight to match today's brightness of Christmas trees ablaze with electric lights would have been a costly luxury . . . and not a safe decoration. Modern colored electric lamps, twinkle and bubble bright and gay, for only a few pennies a night for electricity. Christmas lighting, indoor and out, is one of the many year-around electric bargains in the home.

OBITUARIES

H. T. McGee

After a long illness, Henry T. McGee, 498 Westlake avenue, died at his home Monday.

A resident of Daly City for the past four years, McGee was a native of Salt Lake, Utah. He was a retired salesman.

Surviving McGee are his widow, Mrs. Ruth McGee; two sons, Richard and Henry; two daughters, Mrs. Carol Lisle and Mrs. Susan Dunham, and two grandchildren, Patricia Stevenson and Wayne Dunham.

Funeral services were held Tuesday morning at the W. C. Lasswell chapel. Following the services, interment was at Olivet cemetery.

Margaret Scanlon

A pioneer resident of Daly City, Mrs. Margaret Scanlon, 75, 261 Los Olivos avenue, died at her home Tuesday.

Mrs. Scanlon spent a good part o fher life in this community, coming here in 1907. She had many friends in Daly City, and was active in civic work.

Primarily, however, Mrs. Scanlon devoted herself to bringing up her family. She is survived by two sons, Thomas and John, of Daly City, and a daughter, Esther Scanlon.

Mrs. Scanlon was the widow of the late John Scanlon.

She is also survived by two grandchildren, Mrs. Margaret Sargent, and Patricia and Ann Scanlon.

Funeral services were held today, December 15, at the W. C. Lasswell mortuary and hence to Our Lady of Perpetual Help Church, where a requiem mass was recited. Rosary was recited at 8 p.m. Wednesday.

Following the services, interment was at Holy Cross cemetery.

Samuel Bergh

Funeral services were held Tuesday at the W. C. Lasswell chapel for Samuel Bergh, 76, 6184 Mission street.

Bergh died Monday at his home. He was a retired steel worker, and a resident of Daly City for the past nine years.

Having never married, Bergh is survived only by two brothers, Henry, of Daly City, and Raymond, of St. Helena.

Following the funeral services, cremation took place at Olivet cemetery.

"Record" Reminiscence

From the "Record" 10 Years Ago
December 13, 1939

Some 2,000 children are anticipated at the annual Daly City Christmas party to be held at the Daly City Theatre. There will be three hours of top-notch entertainment, plus thrilling movies.

A petition signed by 121 Daly City residents, protesting the proposed re-zoning of Junipero Serra boulevard from residential to light industry, was read at the Monday night council meeting.

The worst gale since 1937 swept out of the stormy Pacific Sunday to lash Daly City into a welter of broken fences, shattered windows and tangled wires.

Some of the new Eastern Star officers include Mrs. Dorothy Gebhardt, Mrs. James Chestnut, Mrs. Matilda Heeringa, Mrs. Robert Heeringa, Mrs. Isabella Malone, Mrs. Jeannette Fischer.

The Daly City Boys Club again showed their prowess as cagers when they out-pointed Burlingame Boys Club basketball squad 39 to 22 Wednesday.

Mrs. Andrew P. Chesney entertained members of the Ladies Auxiliary, Company No. 2, DCFD, at her home last Tuesday.

From the "Record" 20 Years Ago
December 13, 1929

The annual Christmas tree celebration will be held December 20. A large tree will be placed in front of the city hall, decorated with colored lights and a generous number of gifts for the children.

Officers elected for the year 1930 in the Vista Grande Camp RNA include Florence Bryant, Dolly Putney, Doris Burdick, Lillian Landini, Johana Hedvald and Mary White.

Officers elected to the Veteran Firemen's Association include Andrew Vireno, William Goldkuhl, Andrew Chesney, Edward Ford, Al Green and H. H. Smith.

The Jefferson All-Stars came from behind to defeat the Boldermann Chocolate twirlers 9 to 3 Sunday on University diamond. G. Keagle was on the mound for the All-Stars. Mo Plansky divided batting honors with Ray Doyle.

Automobile owners throughout the state are advised that motor vehicle registration for 1930 will start December 15. The fee for all pleasure automobiles will be $3.

STARTED SOMETHING—Mrs. J. M. Shaw of Cleveland, O., above, decided city women needed help in whistling for taxis on the street. She talked a Cleveland cab company into giving away whistles to their women customers. They've already given away the first 100,000. Mrs. Shaw shows her son, Kelly, how the whistle works.

SAFE STARTINGG

When starting a car with conventional transmission, always keep the clutch pedal depressed, advises the California State Automobile Association. Depressing the clutch pedal allows the starter to turn the engine without also turning the transmission gears. It is also a safeguard against possible accident in the event that the transmission may happen to be in gear.

NOTICE OF TRUSTEE'S SALE AT PUBLIC AUCTION

WHEREAS GEORGE A. SHARP and VIRGINIA S. SHARP, husband and wife, by deed of trust dated December 3, 1947 and recorded in Book 1502 at page 193, in the office of the County Recorder of San Mateo County, California, did grant and convey the premises therein and hereinafter described to SAN MATEO COUNTY TITLE COMPANY, a corporation, as trustee, to secure, among other things, the payment of a promissory note, executed on December 3, 1947 by the said George A. Sharp and Virginia S. Sharp for the principal sum of $3,025.00 with interest from date until paid at the rate of 6 per cent per annum, payable in installments including interest at the rate of $25.00 per month; and

WHEREAS default has been made under the said deed of trust and the said note in this that the installments of principal and interest due on July 3, 1949 and thereafter and a portion of the installment due May 3, 1949 were not at the due date and have never since been paid; and

WHEREAS, the said deed of trust provides that if default be made in the payment of any of the sums of principal and interest when due, the owner and holder of said note may declare the whole of the principal and interest thereon immediately due and payable and require the said trustee to sell the property thereby granted; such sale to be made after the holder of said note shall have filed in the office of the county recorder of the county where the property is situated, a notice of such breach and of election to sell, and three months shall have elapsed from the date of said recording, and

WHEREAS, STOWE A. WEBBER AND U. U. SOWARD; partners, the owner and holder of said note did declare that default had been made as aforesaid and did declare the whole of the principal and interest immediately due and payable and thereupon on August 16, 1949 did record in the said county recorder's office in Book 1701 of Official Records at page 336 due notice of breach and of election to sell the premises hereinafter described to accomplish the objects of the trusts therein expressed;

NOW THEREFORE NOTICE IS HEREBY GIVEN that, by virtue of the authority in it vested by said deed of trust, the undersigned will as trustee, sell at public auction in the manner provided by law to the highest bidder for cash in lawful money of the United States on Friday December 23, 1949 at 11 o'clock A.M., at the Middlefield Road Entrance of the County Court House, Redwood City, California, all the interest conveyed to and held by the undersigned, as trustee, by the aforesaid deed of trust in and to all that certain real property set forth therein, situated in the town of Brisbane, County of San Mateo, State of California, and particularly described as:

Lots numbered twenty-three and twenty-four in Block numbered sixteen as shown on that certain map entitled "Amended Map of Subdivision Nos. 1, 2 and 3 of City of Visitacion, California", filed in the Office of the County Recorder of San Mateo County on October 14, 1908 in Book 6 of Maps at page 45.

For the purpose of paying the balance due upon the principal sum of said note, to-wit: the sum of $2,865.31, together with interest thereon from June 30, 1949, as provided in said note, sums if any advanced under the terms of said deed of trust, the expenses of said sale and the compensation of said trustee and reasonable counsel fees, as therein provided. Terms of Sale, cash in lawful money of the United States.

Daly City Rod And Gun Club To Greet New Year With Western Dance Party

Although it may be a little early there's nothing like planning ahead for that New Year's party.

This year the Daly City Rod and Gun Club is planning a western New Year's dance to run from 8:30 p.m. to 2 a.m. on December 31 into 1950.

Tickets for the affair are now on sale at a reasonable rate. As no tickets may be purchased at the door, it is necessary to buy them all ahead of time.

Reservations may be made by calling: Jimmy Fox, 257 Woodrow street, at DElaware 3-7222, or Ed Nenstiel at the Daly City Hardware store.

Remember the date, December 31. The dance is to be held at the George Washington Masonic Hall at the corner of San Jose and San Juan avenues.

Music will be furnished in true western style by the "Daly City Cowboys." In addition there will be free eats, hats, noise makers and the like.

Watch the "Recor" for further information on this event.

Meanwhile, last Wednesday night at Club Casino, the club held its installation dinner. "Herbie" Jacobsen of the San Francisco Surf Club was the installing officer, while Earl Prigmore was master of ceremonies.

Following a humorous ceremony the following are the club's new officers: Ed Meierding, president Jimmy Fox, vice-president; Earl Prigmore, secretary; Harold Pearlman, treasurer; Alexander "Smokey" Shalkoweski, seargeant - at - arms; Harold Purser, chairmar board of directors; Al Speers and Al Giagini, directors.

The out-going chairman, Hal Purser, received a fishing rod as a token of appreciation from the club for his work in 1949. Earl Prigmore, as both old and new secretary, was present with an engraved pen and pencil set.

Trophies were presented the following "best" sportsmen for 1949: Hal Hansen, largest striped bass: George Archer, deer with largest horns. Hansen received a gold cup, while Archer will have his name inscribed on a plaque.

Other awards went to: Jack Tranberg, big bore shooting; Jimmy Fox, small bore; Jack Tranberg, trap; Hal Purser deer.

Silver medals were given the following for second place club shooters for the past year: Fox, big bore; George Archer, small bore; Al Spears, trap; Fox, deer.

Third place awards went to: Gordon Sullivan, big bore; Al Speers, small bore; George Archer, trap, and Sullivan, deer.

Xmas Party Soon For Women Moose

A Christmas dinner for members and cindidates will be given December 21 by Women of the Moose, Chapter No. 739, it was announced today.

The dinner will be held in Moose Hall, San Francisco, beginning at 7:30 p.m. Following the feed, a regular meeting will be held at 8 p.m.

During the 8 p.m. conclave, Christmas gifts will be exchanged among members. So, ladies, don't forget to bring a 25-cent gift for exchange.

Chairman for the evening is Dorothy McLaughlin.

Slingshots And B.B. Guns To Be Outlawed In D. C.

Sounding the death knell for B.B. guns and sling shots in Daly City, the city council Monday read an ordinance barring these weapons from the community.

The ordinance, unless opposed will probably be passed into law at the Monday meeting, December 19.

Not only will the law forbid carving of the B.B. guns, but it will also forbid merchants in Daly City selling them in their stores.

This will end a lucrative business. According to Councilman A. J. Gaggero, San Francisco does not allow sales of B.B. guns in its stores. Consequently, local merchants have been doing a booming business selling the contraband "weapons" to kids over the border.

And what of the boy or girl who continues activities with the B.B. guns and sling shots? According to the law they are subject to a maximum fine of $500 and six months in jail.

Despite the apparent humor of this law, recent activities of boys and girls has made it a desperate necessity. Many local residents have reported to police that their children have been hit by shot, and their property damaged by the B.B. guns.

Waterfowl Hunting Season Opens This Monday

Better prospects are in sight for 175,000 duck hunters who will open California's second waterfowl hunting season at Noon Monday, December 19.

That's the usual outlook for the last half of the split hunting season, says the Division of Fish and Game, as a result of December storms driving ducks and geese southward over a greater area of the State. More nimrods are expected to take home their daily limit of five ducks and six geese in the next few weeks than during the first 20-day season.

In passing along Federal waterfowl regulations, the State agency reminded hunters that a State hunting license as well as a $2 Federal duck stamp is required. Guns must be plugged to hold not more than three shells, and the shooting of Ross geese, swans, and shore birds is taboo.

Daily bag limits are: five ducks of all species in the aggregate, one of which may be a wood duck; six geese in the aggregate in any combination not exceeding two Canadian geese, white-fronted geese, or brant; 15 coots or mudhens; 25 mergansers.

Possession limits are the same as daily bag limits for geese, mergansers, and coots. Duck possession limit is two daily limits, except on opening day.

Following the Noon opening on December 19, shooting hours revert to one-half hour before sunrise to one hour before sunset. Migratory waterfowl may be held for 90 days following the close of the season, January 7.

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing.

BEARS — Ends December 31. Bag limit: 2 per season. Shooting hours: one-half hour before sunrise to one-half hour after sunset.

DUCKS, WATERFOWL—Open until January 6 along Colorado River only. December 19 to January 7 elsewhere. Bag limits: five ducks per day, including one wood duck; six geese with not more than two of dark species, or brandt; 15 coots; 25 mergansers. Shooting hours: one-half hour before sunrise to one hour before sunset, except on opening days when shooting starts at Noon.

PIGEONS — December 17 to December 31. Bag limit: 10. Shooting hours: from one-half hour before sunrise to sunset.

QUAIL — Closed in districts 22, 4½, and all of district 4 except Orange county (southern California). Ends December 15 in district 1¾ (northeastern California). Ends December 31 in balance of State including Orange county. Bag and possession limits: eight per day. Shooting hours: 8 a.m. to sunset until November 27; one-half hour before sunrise to one-half hour after sunset otherwise.

TREE SQUIRRELS — Open until December 31 in specified sections of central and northern California only. Consult abstract of hunting regulations. Bag and possession limits: two per day. Shooting hours: one-half hour before sunrise to one-half hour after sunset otherwise.

BRUSH AND COTTONTAIL RABBITS — Ends December 31. Bag and possession limits: eight brush and cottontails in the aggregate. JACK RABBITS — Ends December 31 in southern California districts 4, 4⅛, 4¾, 19, 20, and 22. No closed season elsewhere. No bag limit.

STEELHEAD TROUT — Open in specified waters of northern and central California counties. See abstract of angling regulations.

BLACK BASS—Bag limit: Five fish. No size limit.

Up Come The Boys From Down Under

Yep, it finally happened. The Colma Boys Club last Sunday won a game, taking the St. James team by the close score of 6 to 5.

No longer playing in the Seals league, the Colma "terrors" seemed to have relaxed and given the grandstands a good game last Sunday. Although a close score, they demonstrated some of the skill that put them on top of the pile during the summer months.

Pitching laurels go to Tito Sarto who struck out nine and allowed a minimum of hits.

Honors must also go to Ed Milano, ho drove in a home run. The heart break of the homer was that when Milano contacted there was not a man on base.

Mission Kiwanis Beat Sarto Nine

In what was probably the worst blow-up of the seasson, the Sarto nine lost their first game in nine times up last Sunday to the Mission Kiwanis, 13 to 15.

Everything was going fine for the Sarto lads until the eighth inning. Then pitcher Bill Rainey, who wass suffering a bad thumb from a previous accident, walked in three runs.

With the bases loaded, he was replaced by Fostino. The right fielder couldn't do much better, and before the inning was out, he walked in three more runs.

However, this was only an exhibition game, and the Sarto boys still remain champions of the Class "A" National League.

Jeff High Indians

From Milton TROMBORG'S TEPEE

It is a little early for swimming, but I'm going to tell you about the team regardless of the weather.

Swimming is becoming a big sport at Jeff, and maybe in the near future it will take a major position. In the past the human fish haven't done too well, but year by year they are showing improvement.

This year's varsity will be strong in almost every event, with the exception of the breaststroke. One of the swimmers to watch is Norm Cady, who will either swim 20s or 30s.

Last year Cady won every event of the 50 and 100 yard free style that he swam, and he took first in the P.A.L. finals.

Les Nicolini will swim varsity. He also placed in the P.A.L. finals last year in second position. Les will either swim the 50 free or the 100 free.

Stanley Davis will be a varsity man and he also can splash his way to victory. I believe he will either swim the 150 medley, or the 100 free.

Tom Leach is a strong contender for the 100 yard free style.

I'll say that the swimming team of 1950 will roll, and if they go through the season with flying colors they might even take the P.A.L. finals.

All swimming results will be printed in this column when the season opens in March.

Housing Project Out For Daly City

Reliable sources today said that chances of Daly City having a low cost housing project were nill.

This opinion followed by several days a proposal by the San Mateo county housing authority that a 250-unit low housing project be built in Daly City.

In an earlier meeting with the city council, the authority asked for permission to survey Daly City to determine its low cost housing needs.

Permission to conduct the survey was granted. However, Mayor Paul Green noted that a suitable area for building the project was not available in Daly City.

The "Record" informant stated that the city council will kill any plans of the housing authority for housing units. Such units are undesirable additions to this community, the source said.

Many Job Openings Coming In Steel

The next decade will provide between 5,000 and 10,000 job openings per year in the iron and steel industry, all of them replacements caused by deaths and retirements.

Additional thousands of openings will be created by steel workers leaving for other fields of employment.

These conclusions are contained in a recently published supplement to the Occupational Outlook Handbook, a 434-page survey of job prospects prepared for Veterans Administration by the Bureau of Labor Statistics of the U. S. Department of Labor.

The supplement has been distributed to V-A advisement and guidance offices to be used as an aid in counseling veterans on their employment objectives.

Although the supplement is not publicly distributed, the Handbook itself is available to the public, at $1.75, from the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C.

Temperatures Set Hogs Weight

Full-fed swine gain weight fastest at temperatures ranging between 60 and 75 degrees, Dr. Hubert Heitman, Jr., told those attending the annual meeting of the American Society of Animal Production in Chicago.

For hogs weighing 160 pounds or more, average daily gain is greatest at about 60 degrees, with 75 degrees best for those in the 70 to 140 pound weight range, he said. Dr. Heitman is an assistant professor of animal husbandry on the Davis campus of the University of California.

The swine-feeding experiment was carried out in an insulated, air-conditioned psychrometric chamber on the Davis campus. Co-operating in the work were Dr. Elmer H. Hughes, chairman of the division of animal husbandry, and Clarence F. Kelly, agricultural engineer.

Body temperature of pigs weighing 160 to 260 pounds or more increased rapidly when room temperature rose above 80 degrees, but smaller pigs did not increase in body temperature until 90 degrees was reached. Feed consumption decreased as the temperature climbed, Heitman found.

A good way to cool hogs, Dr. Heitman said, is to cover the floor with water and increase the circulation of air.

Jack Frost Whips Through Daly City

This won't be news to anyone, but for the record, the mercury dropped to a wintry 30 degrees in Daly City last Monday.

Weather-minded persons inform the "Record" that this is the coldest December day recorded here since 1932.

Sunday, Monday and Tuesday let every resident know that the days of winter respected neither the California chamber of commerce nor the ice cream salesman that bravely rang his bell through the streets.

With blustering rains taking over Wednesday, the flowers and vegetable crops in the community were saved from sure death. No great damage has been reported to either of these items.

But there may be some consolidation i nthis fact . . . it hit the 20 degree mark in San Jose. What's that about the only good weather being on the Peninsula?

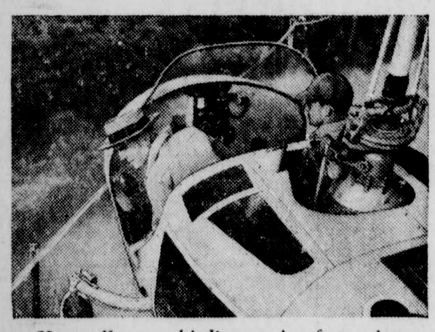
Helicopters' amazing ability is working for Pacific Telephone in some places today...helping stop trouble.

How a new sky patrol protects your calls



1. You really get a bird's-eye view from a hovering 'copter. And it's proving a big help in checking our Long Distance routes . . . Air patrols watch for leaning poles, soil erosion, settling earth . . . anything that might cause future trouble. They do it fast, too. In one test, a crew recently checked 276 miles of buried cable route in nine hours; it would have taken about six days by land.

2. On-the-spot delivery of repairmen and materials is another use of the flexible helicopter. Since it can literally drop on a blanket, it comes in handy reaching isolated spots . . . or when snow or floods make roads hard to travel. Helicopter patrol is another example of how we keep looking ahead for the progressive developments that help keep your service always ready to work for you.

3. Keeping ahead of trouble helps keep your service valuable. Today it's more valuable than ever . . . the many new telephones that have been rushed into service make it possible for you to call more of the people you want to call. More can call you. And your telephone is still a bargain in these days of higher costs. After all, a few pennies buy a call.

DALYCITY—COLMA

A special treat was in store for Lions who attended the regular Wednesday meeting this week.

The Jefferson High school choir was on hand to give the Lions the proper Christmas spirit with songs of the holidays.

Everyone enjoyed the show, and the Lions wish to thank those young men and women whose voices sang out the joys of Christmas.

Meanwhile, plans are now being made for a Children's Hobby Show at Jefferson High school. It is tentatively drawn up to include hobbies of all children in Daly City, whether these include collecting stamps or dogs.

Tuesday, 16 members made a trip to a P. G. & E. hydroelectric station, and saw first-hand what makes that bathroom light go on at the touch of a switch.

Let's not kid ourselves. Drivers who fail to obey the traffic laws are not good drivers. Traffic accident records from the California Highway Patrol indicate that drivers who obey the traffic rules have very few accidents.

SAVING THE HARVEST—Farmers pour grain into one of the aluminum bins set up by the government at Enterprise, Iowa, to provide storage for the unexpectedly large 1949 grain harvest. About 26,000 bins were erected with an average capacity of 3250 bushels each to help meet the harvest emergency.

CLEANING CHROME FINISH

Chrome finish on an automobile can be kept clean and bright if it is wiped periodically with a cloth dampened with kerosene, followed by polishing with a soft cloth, according to the California State Automobile Association.

ACCIDENT CAUSES

Most pedestrian casualties are caused by jaywalking, ignoring traffic signals and warning signs, and stepping into a street from behind parked cars or an obstruction, says the California State Automobile Association. Christmas shoppers are urged to be extra careful, now that the holiday rush has started.

CHECK VALVE SPRINGS

It pays to have the valve springs checked when the car goes to the shop, declares the National Automobile Club. Although they are much better than ever before they do much more work and the heat and strain under which they work is likely to destroy both tension and temper after a long interval. If the motorist could see the hard work they constantly are doing, he might be inclined to replace them occasionally before actual breakage makes it absolutely essential.

Poor traffic habits may trip you this December. The California Highway Patrol predicts extra heavy traffic during this month and suggests you check your traffic habits now. Eliminate the poor habits by developing good ones.

Tin Fish Men Wanted By Navy

Submarine training, in the Organized Submarine Naval Reserve, is open to all eligible men who can meet certain requirements.

The requirements are: (a) no previous submarine experience, under 29 years of age; (b) some submarine experience under 33 years of age; (c) a qualified submarine man under 37 years of age.

As a member of the Organized Submarine Reserve you are entitled to pay from $2.50 to $8 a night for attending a two-hour drill one night a week. You will also have the opportunity to take a two-week cruise on board a fleet type submarine manned by regular navy personnel at full pay, plus submarine pay.

Members of the submarine reserve are highly trained in their chosen and appointed fields, without interruption to their normal civilian lives, in such subjects as engineering, electronics, radar, radar, radio, electricity, and other trades, which undoubtedly will pay off in dollars and cents in civilian life.

Give US Savings Bonds For Xmas

Sales of Series "E" United States Savings Bonds in San Mateo county totaled $234,932 during the month of November, for an increase of $3,188 over October, it was announced today by John D. Bromfield of San Mateo, volunteer savings bonds chairman for the county.

Sales of the widely-held government "E" bond for the 11 months of 1949 in the county total $3,384,684, according to the latest Federal Reserve figures received by the chairman.

"Not only did we show a gratifying increase over the preceding month, Chairman Bromfield reported, "but our Series "E" sales exceeded our county's sales of November, a year ago, by $7,608, as well."

Speaking of the increasing custom of giving bonds as Christmas gifts and as a bonus to employees, the chairman stated, "A Savings Bond is a gift that increases in value . . . a gift that will be replaced if lost . . . a gift that won't wear out, run down or even be outgrown. Where else in the world can you find a gift that meets all these specifications?"

Vet College Enrollment Down

Veterans' enrollments in colleges and universities under the GI Bill and Public Law 16 (for the disabled) on November 1, 1949, were about 17 per cent below enrollments of a year ago.

On the other hand, enrollments in schools below the college level—mainly trade and vocational schools — on November 1, 1949, were at an all-time high, approximately 23 per cent above the totals for November 1, 1948.

Veterans Administration today disclosed these proportions, and pointed out that while the November 1, 1949, statistics represent the bulk of fall enrollments of veterans, complete enrollment data for the current fall term probably will not be available for another month.

In numbers, veterans in colleges and universities under both laws on November 1, 1949, totaled 789,000, compared with 953,000 a year ago.

Below-college-level enrollments this year are 839,000. A year ago, the total was 676,000.

The drop in college enrollments took place both under the GI Bill and Public Law 16. The rise in the number of veterans attending school below college, however, was confined to GI Bill enrollees alone. Public Law 16 enrollments in schools below the college level declined 12 per cent from November 1, 1948, to November 1, 1949.

DON'T CROSS BARRIERS

Intermittent barriers to separate opposing lanes of traffic are seen along many of California's modernized highways. As a safety measure, the 1949 Legislature amended the vehicle code to prohibit driving across such an intermittent barrier except through an opening designed or intended for that purpose. Careful observance of this law, written for motorists' protection, is urged by the California State Automobile Association.

Star of Bethlehem Continues to Puzzle Modern Scholars

Once again Christendom sees the Star of Bethlehem and, like the Wise Men of old, rejoices with exceeding great joy.

Astronomers have discounted possibilities that the star may have been a natural phenomenon since such phenomena occur too far from the earth to serve as any sort of local guide. Modern opinion is, however, inclined to hold that there was a Star — although the story probably has been touched by Oriental imagery.

St. Matthew suggests that even the Wise Men may have lost sight of the star while they were in Jerusalem; hence, they rejoiced when it reappeared to their vision as they approached the Manger of Bethlehem.

Come to think of it, astronomers have sought an astronomically authentic star —and found it not; historians have sought an historically human Jesus of Nazareth —and are still arguing whether or not they have found Him: even zealous theologians, striving to harmonize messianic and eschatological theories with the illusive historical and human Jesus, have sometimes lost sight of the Babe in the Manger Who from His lowly stable draws unto Himself all who are weary and heavy-laden.

Pressing close to that sacred Manger, Christendom glimpses the Star of Bethlehem once more and rejoices in the light of righteousness and peace which has conquered every tyranny that evil men could think of, the light that shineth in the darkness and shall not fail.

S.F. Presents Xmas Broadcast

San Francisco's Christmas salute to the nation will be broadcast from Union Square in the heart of downtown San Francisco on Christmas Eve (Saturday, December 24), according to announcement by the Down Town Association of San Francisco, sponsors of the event.

The program will be released nationally over the NBC network at 5 p.m., PST.

This annual Christmas greetings "to the heart of America from the heart of San Francisco" will feature the city's Cinderella girl of music, nationally famous Metropolitan Opera star, Florence Quartraro. The celebration is a revival of San Francisco's tradition of greeting Christmas underneath the stars, originated in 1910 by the beloved Tetrazzini.

An added attraction of the program will be the KNBC Choir, directed by William Gavin, and will feature a number of selections of Christmas music.

The KNBC Concert Orchestra under the direction of Anthony Freeman will accompany Florence Quartararo and will also be heard in individual numbers.

A preliminary concert of appropriate orchestral music by ninety members of the American Federation of Musicions will commence at 2:45 and will continue for two hours, ending at 4:45.

Donate Recreation Items To The Army

The San Mateo County Chapter of the American Red Cross has received a request from Moffett Field for supplies for the recreation room.

Two new squadrons are to be stationed at the field; therefore, is an immediate need for added supplies. The list of items includes playing cards in good condition, pocket edition books, comic books, phonograph records (popular preferred) and Western magazines.

An attempt is being made to start a station band and any musical instrument in good condition will be most welcome.

Those who wish to help fill these requestss may bring donations to the Red Cross Chapter House, 1449 Bellevue avenue, Burlingame, or if living in outlying communities, please drop a post card to Miss Elisabeth Mack, 1449 Bellevue avenue, and Motor Service will pick up the articles.

Drinking drivers help to make the December traffic toll higher, says the California Highway Patrol. Drinking and driving never did go well together. Why not play it safe and let someone drive who doesn't drink.

CONVERSATION CAN KILL

Motorists driving through urban areas should converse sparingly, drive alertly, declares the National Automobile Club. Conversation can be interesting, but you don't have to let it kill you.

Powell Street Cable Cars To Be Shut Down May 1 to May 15

Visitors to San Francisco shouldn't plan to use the Powell Street cable cars between May 1 and May 15 next year — they won't be running.

The line will be shut down for that period to permit workmen to replace the Powell-Market turntable, according to Utilities Manager James T. Turner. Announcement of the turntable replacement whetted the appetites of local cable-car fans and sidewalk superintendents.

At the same time Turner announced through cable car service to Fishermen's Wharf will be suspended for six months commencing May 15 because of approach work on the new Broadway tunnel.

Buses will be substituted, Turner said.

Public Accounting Offices Opened

With that income tax return just around the first of the year, Edward Russell today, December 15, opened two public accounting offices in this area.

Residents of Daly City can get any help on questions of taxes, auditing and bookkeeping at either of the two offices.

The offices, run by certified public accountants, are located at: 1427 Burlingame avenue, Burlingame; 690 Market street, San Francisco. They may be reached by phone by calling DI 3-2706 and GA 1-0789, respectively.

TWO FLATS AT TIME

One flat tire is bad enough. Two, according to the National Automobile Club, are almost more than the most patient motorist can stand. Yet two flats at one time are not uncommon. In addition to the one on the wheel, many motorists find that the spare also is flat as a result of not having been checked up when the other tires were being inflated. The spare should be inflated every time the other tires get attention.

Musicians Can Find Navy Berth

Entrance into the Navy's School of Music, in Washington, D. C., is open to young musicians who have the necessary musical background and can pass the required mental and physical tests.

Young musicians who meet the preliminary requirements will receive a personal audition in Washington, D. C., to determine whether or not they are selected for the Navy's School of Music. The expenses of this trip to Washington are paid by the Navy. If they successfully pass their audition, they will receive six months intensive musical education in the Navy's School of Music, who's standards compare with those of the best music schools in the nation.

For complete information on the Navy School of Music, call or visit the Navy recruiting station, Post Office building, San Mateo. Phone DI. 4-2781.

Finances Chief Personal Worry

What do Daly City citizens worry about??

The 530 calls coming to the Community Chest Information Service during the past month offer clues.

Need for financial assistance was the chief worry reflected in the 84 calls on that subject. Need to place children outside the home came second with 73 inquiries. Counseling with personal or family problems was the third most frequent concern, with 61 inquiries.

Other problems bothering San Franciscans, in order of the frequency of inquiries, were physical health, vocational problems and employment, mental health, homes for the aged, housing, recreation, educational problems, and legal problems.

The Chest's Information Service refers each caller to the Chest agency which can help with his particular problem, according to Mrs. Selene Sayre, information consultant. The Information Service also refers to public agencies.

Burlingame Child Guidance Clinic Holds Open House

Alexander Donald, chairman of the commission of the San Mateo County Child Guidance Clinic, today announced the clinic will hold holiday open house on Friday, December 16, from 4 to 6 in the afternoon.

Donald, on behalf of the commission, issued a cordial invitation to the public to visit the clinic's home at 1408 Howard avenue, Burlingame, and meet in person members of the county board of supervisors, members of the Child Guidance Commission, and staff personnel.

The clinic is to be decorated for the holidays by members of the Garden Study Club of the Peninsula, well known in this community for their originality.

Members of the commission who outline the policies and guide the destinies of the clinic are Alexander Donald of Woodside, O. H. Olson of Menlo Park, Mrs. Edmund Burke of Redwood City, John Cost of San Carlos, Mrs. Andrew Gilcrest of Half Moon Bay, John Mongan of Daly City, Rev. Lawrence K. Whitfield of Millbrae Highlands.

NEW MEXICO'S STATE TREE

The pinon, New Mexico's state tree, is reported by the National Automobile Club to be the only member of the pine family that bears edible nuts.

BE EXTRA CAREFUL

Driving or walking, be extra careful, now that the Christmas shopping rush is in full swing, urges the California State Automobile Association. Don't let death take your holiday.

KEEP ON GUARD

When driving at night, keep a sharp lookout for pedestrians walking at the side of the road, urges the California State Automobile Association. By so doing, you may save a life.

Money For Blind Children Needed

Plans for a statewide appeal for funds to purchase the first and only summer camp for hundreds of blind children in California are being made by Recreation for the Blind, a California program founded by Rose Resnick, blind concert pianist.

The site is a former boys camp located eleven miles from Napa and initial steps have been taken by the organization to acquire the property, to be known as "Enchanted Hills."

Northern California headquarters for the fund-raising drive have been established at 830 Market street in San Francisco. A state committee is being formed to include prominent civic, church and business leaders from all over California. Committee names will be announced and actual campaigning will get underway about December 12.

CONTEST WINNER—Twelve-year-old Peter Stuyvesant French of New York has been awarded poetry volumes which he received for winning the Academy of American Poets' contest for identification of poems.

Coast Guard Academy Wants Officer Material

Congressman Jack Z. Anderson, Eighth District Representative, today announced that nationwide competitive examinations for entrance to the U. S. Coast Guard Academy, New London, Connecticut, will be held on February 20-21, 1950.

"The number of candidates selected each year depends upon the needs of the Service," Anderson said. "In order to gain admittance to the Academy a candidate must not only pass the examination, but must pass high enough to be assured of selection for appointment.

"A graduate of the Coast Guard Academy 4-year course receives a commission as ensign in the U. S. Coast Guard, and a Bachelor of Science degree in engineering.

"There is no limit on the number of candidates that come from any single area," Anderson pointed out. "Qualified young men should write at once to Commandant, U. S. Coast Guard, Washington 25, D. C., since the necessary papers must be completed by January 15, 1950.

"Men who take the examination must be American citizens of good moral character between the ages of 17 and 22, in excellent physical condition. Minimum educational requirement is a high school diploma, although high school seniors who will complete their course by June 30, 1950, are eligible to take the examination, if they will have the necessary credits upon graduation."

Lecture On St. Peter's Tomb At USF Dec. 15

The San Francisco Society of the Archeological Institute of America, in cooperation with the University of San Francisco, will sponsor an illustrated lecture on Thursday evening, December 15, at 8:15 p.m., by Mr. L. E. Hudec.

Mr. Hudec, renowned architect now living in Berkeley, recently was in Rome. During his stay there he was conducted through the excavations under St. Peter's, which still are closed to the public, and there he gathered notes and illustrated material for his lecture.

His topic will be "Recent Excavations under St. Peter's Basilica in Rome and the Rediscovery of St. Peter's Tomb."

In view of the forthcoming papal proclamation of the Holy Year, the subject of Mr. Hudec's address is very timely and should be of great interest to all lovers of the fine arts and of Christian archeology.

The lecture will take place in the University of San Francisco auditorium, 2130 Fulton street. The public is cordially invited to attend.

Old Age Pensions Reach 2,877 People In San Mateo County

Aged aid payments in San Mateo county during October reached 2,877 persons, the California Taxpayers' association reported today.

Payments to these elderly citizens in the county were $199,040. This compares with $18,723,603 for the whole state during the month of October.

The average payment per person in San Mateo county during October was $69.18. This compares with the national average of $44.46.

The greatest Christmas gift may go unnoticed. The California Highway Patrol believes the greatest gift is you, alive and well. Stay that way. Drive and walk safely. Obey the rules.
